

2020 Santa's Closet of Renville County Referral Form

This is a tough year for us all due to CoVid 19. Rather than cancel Santa's Closet in 2020, we need to do Santa's Closet differently. The guidelines recommended by RC Public Health and the City of Danube limit the number of people in and out of the school building to prevent contact with children attending Little Lambs Daycare. Therefore, we must eliminate the client shopping that has been such an important part of how we have done Santa's Closet. We will be providing a care package for your family that includes household necessities and a few gift items. By doing Santa's Closet this way in 2020, we hope that you will have money available to purchase other gifts for your family. We have put much thought and time into coming up with this solution. We appreciate your patience and understanding as we try to help you make Christmas happy for your family. You will be called about a pick up time and place in your community.
